Elizabeth Ministry

Are you expecting a baby? Consider putting yourself on the prayer list of the Elizabeth Ministry, a group of moms who will pray for the health of you and your baby. In addition to prayer, the Elizabeth Ministry welcomes newly baptized babies and provides meals, visits, phone calls, and notes of support to mothers to help them through both the joys and trials of their life. Meetings are the First and Third Monday of each month from 9:30 to 11:30 AM in the Marian Center Nursery. All women are welcome.
