

Risen Savior Daily Preschool

Did you know that Risen Savior operates a licensed preschool co-op for three and four year olds? Our non-profit preschool was developed to provide a safe, warm and caring Christian environment where children can learn and explore their creativity through age-appropriate individual and group activities.

An adult family member is required to work in their child's class, as a teacher's aide, one day a month as part of our co-op program. No experience is necessary.

Program Schedule

Our classes meet September through May. All of our classes are 2½ hours long either two or three days per week. We follow the Albuquerque Public School's holiday and snow-day schedule.

3 Year Old Program

Children must be 3 years old by September 1st to qualify.

Through activities that explore their senses, the children learn to interact with other's in an environment that encourages self-expression.

Class size is limited to 12 students with 2 teachers and 1 adult family member.

4 Year Old Program

Children must be 4 years old by September 1st.

Through "sound of the week" units and teaching and checking skills, we help the children get ready for their kindergarten experience.

Class size is limited to 14 students with 2 teachers and 1 adult family member.
