## **A Message from the Director**

Spring Greetings,

We are in the final stretch of our school year and I am pleased with the progress our students have made. Although presented with new challenges due to COVID-19, our amazing students rose above and had a successful year in physical, academic, and spiritual growth. We will finish the year working diligently to achieve the goals we set at the beginning of the school year.

In January, we enjoyed a snow day and honored Dr. Martin Luther King Jr. In February, we celebrated St. Valentine's Day and participated in fun preschool festivities. Our students began the liturgical season of Lent by receiving ashes on their foreheads and learning about ways that we prepare our hearts for Easter. Students will participate in a reenactment of Washing of the Feet and the Last Supper and learn more about Jesus' sacrifice for us.

Spring is upon us and we are learning about planting and growing in God's love. Our days in school are numbered, and our 4-year-olds will soon be crossing the stage for a COVID safe preschool graduation. It has been a beautiful year of flexibility, collaboration, and support. With the support of our preschool families, we have grown together in love and continue to be a solid school community.

Blessings,

*Mrs. Dominguez-Chávez*

Director; Risen Savior Catholic Preschool

"Train a child in the way he should go, even when he is old he will not turn from it."  
Proverbs 22:6
